Presidential Initiative for Artificial Intelligence and Computing

In December 2018, the Honorable President of Pakistan, Dr. Arif Alvi, launched the Presidential Initiative for Artificial Intelligence and Computing. The mission of PIAIC is to reshape Pakistan by revolutionizing education, research, and business by adopting latest, cutting-edge technologies. Experts are calling this the 4th industrial revolution. Pakistan will become a global hub for AI, data science, cloud native computing, edge computing, blockchain, augmented reality, and internet of things.

For more information about PIAIC, to view our programs, please visit our website at www.piaic.org. You may also watch the PIAIC intro video here: https://www.youtube.com/watch?v=sqtc7s1KZEg.

In the first phase, PIAIC will start classes in Karachi. Over the course of the year, classes will also begin in Lahore, Islamabad, Quetta, and Peshawar. Important updates are always reflected on our official website (www.piaic.org). You may also join our facebook group to stay up to date on all announcements and may also ask any questions related to PIAIC (www.facebook.com/groups/piaic).

17,430

VERIFIED APPLICANTS IN KARACHI

Registration for classes in Karachi was opened on December 12, 2018 and closed on January 12, 2019. In the first month of operations PIAIC received 17,430 verified applications in Karachi alone. These students will be selected for classes based on entrance exam scores.

- Total Students: 6,215
  - Male: 6,215

Note: All female students will participate in Entrance Exam Batch 1 on January 20, 2019 at 8 AM.

To find out your testing date and time, please find the Roll Number on your attested admit card in one of these lists to find out when your entrance exam is scheduled:

1. January 27th, 2019 at 8 AM: Entry Test Timings
   https://docs.google.com/spreadsheets/d/1xHn6ep7tSZtMqu7oSOa7iOaLgrw78MuuTm6pzCQPV24/edit?usp=sharing

2. January 27th, 2019 at 2 PM: Entry Test Timings
   https://docs.google.com/spreadsheets/d/1enxxAubIOtEokf9SleUSeiQEMMB55ms53Sp1kNJoHhs/edit?usp=sharing
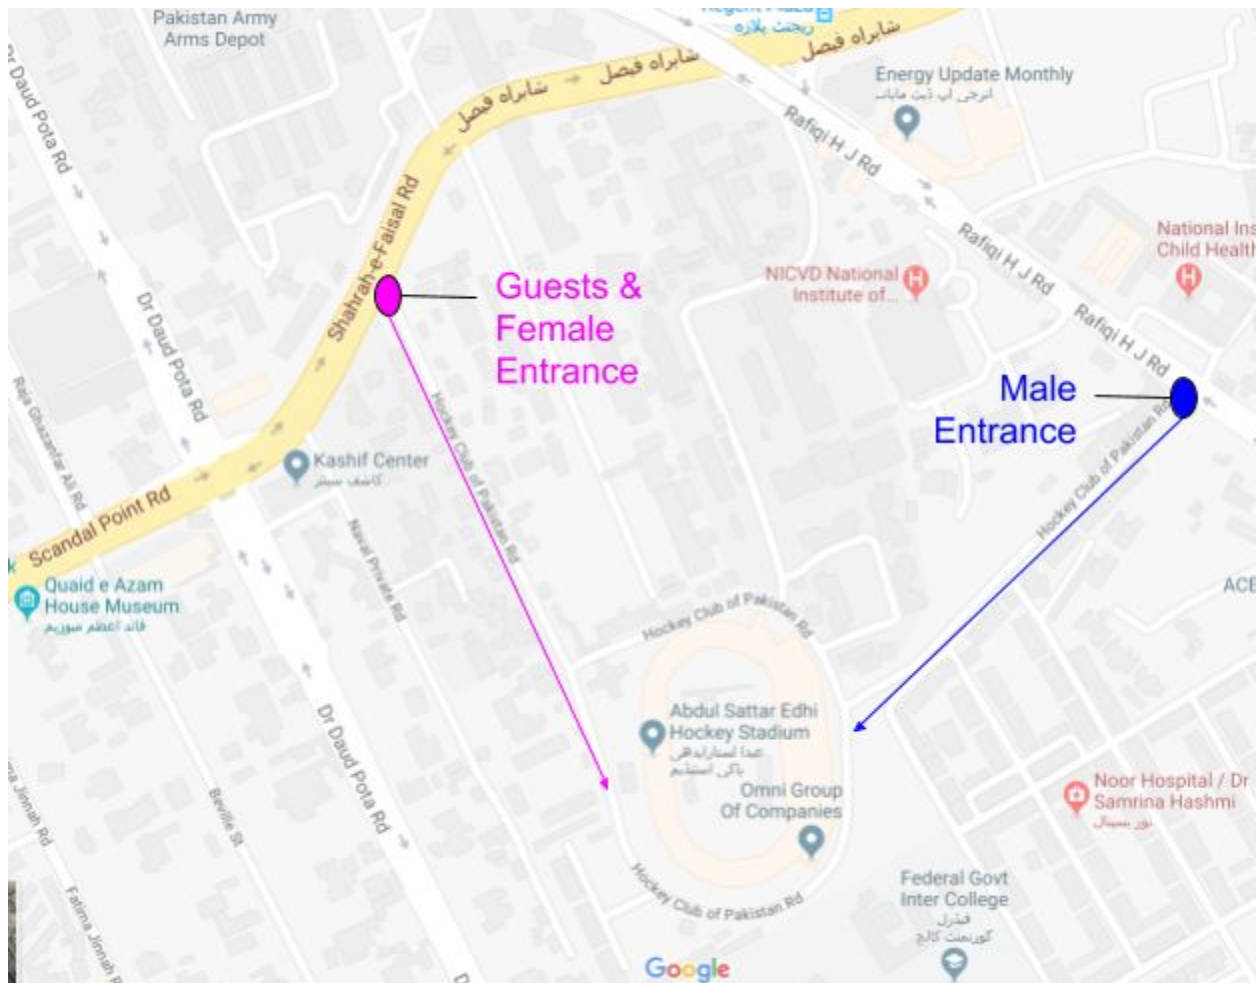

Please note the following rules:

1. Please bring your original NIC. If you do not have an NIC, please bring your B-Form along with a copy of your Father's NIC. If you are applying to PIAIC along with your sibling(s) who also don't have an NIC, please report to the stadium in a group and let the PIAIC staff know.
2. Phones are not allowed inside the stadium. Please leave your phones at home, there will be no phone collection at the venue.
3. Bags are not allowed inside the stadium. Please do not bring them, there will be no baggage collection at the venue.
4. Calculators are not allowed. You will not need a calculator for any question in the test.
5. You may bring a hardboard to help you write on the test paper.
6. Please bring two blue ballpoint pens. Only blue is acceptable, use of any other color ink will result in incorrect scoring of your answer sheet by the computer.
7. Due to increased high security and a large quantity of people present at the venue, there's no waiting area outside for anyone who will wait for the students. Security forces will ask you to clear the area. If you absolutely have to wait, then you may do so at the parking near Regent Plaza.
8. There will be parking space available near Regent Plaza, our staff will be placed throughout the area to guide you.

NO BAGS, PHONES, FOOD, DRINK, OR
CALCULATORS ALLOWED INSIDE THE STADIUM.

HARDBOARD FOR
WRITING IS
ALLOWED IN THE
STADIUM

Where to Report

1. All male students must report to the rear entrance of the stadium. Please use the Jinnah Hospital route to enter the Stadium grounds from the rear.

2. All female students must report to the main entrance of the stadium. Female students may use the main entrance of the stadium. Please note that vehicles are not permitted inside. The drop off location is off of main Shahrah-e-Faisal Road. The pick up point will be the parking area near Regent Plaza.

About the Test

The PIAIC entrance test is composed of 30 questions distributed into three sections:

1. English & Comprehension (5 Questions)
2. Math & IQ (22 Questions)
3. General Knowledge (3 Questions)

The English & Comprehension section tests the students ability to read, analyze, and comprehend the information contained within a passage of text. Students will be asked MCQ based questions to measure the student's ability to understand key points from written text.

The Math & IQ section tests the student's logic and intelligence quotient. Students will be asked MCQ based questions to measure the student's intelligence in the areas of pattern recognition, logical reasoning, and basic mathematics.

The General Knowledge section tests the student's knowledge of the history of the Islamic Republic of Pakistan. These MCQ based questions measure the student's knowledge of historical figures and events.

Pakistanis will be leading the world in the future.

Dr. Arif Alvi

President of the Islamic Republic of
Pakistan

I will not rest until, Insha'Allah, this project and the project of Naya Pakistan is successful.
